

eKEY® App Compatible Operating Systems

The Supra® eKEY® application is continuously tested to the most recent Apple iOS and Android operating system. Email notifications are sent to organizations as Supra confirms OS compatibility.

Check with your organization or cooperating organization regarding which keybox models they are currently used in your area.

Requirements:

- A cellular data plan (preferred) or a Wi-Fi connection
- The current eKEY application downloaded and installed on to mobile device

		Android OS		Apple iOS
